

Observations and Impressions

Look at the pictures around the room and make notes in the table below. Look carefully at all of the images—observe all of the details in the background and foreground, facial expressions, and objects.

Image Number <i>Write down the number of the image.</i>	What kind of image is it? <i>Is this image a political cartoon, photograph, or illustration?</i>	What do you see? <i>Please list three things that you see in each picture.</i>	How does this image make you feel?	What are your questions? <i>Pretend you are an investigative journalist writing a newspaper article. What questions would you ask to better understand what is happening in this picture?</i>
